

THE IN-FLIGHT MAGAZINE OF AIR NIUGINI

PARADISE

MEDIA KIT 2019

OUR CUSTOMERS

Over 2 million people travel with Air Niugini each year to domestic and international destinations for business or pleasure. Papua New Guinea's growing economy, investment opportunities and its natural beauty have fuelled significant growth, with visitor numbers to PNG almost doubling in the past decade.

Our audience demographic is premium, with a high disposable income and full-time employment profile. They are more likely to read a magazine or watch

movies during air travel and are highly responsive to advertising messages.

Air Niugini offers highly targeted opportunities to reach customers through its in-flight media platforms and on-the-ground Paradise Lounge promotions.

See pages 4–7 to find out more about engaging with our *Paradise* print/digital readership and in-flight entertainment audiences, and with Paradise Lounge visitors.

THE OPPORTUNITY

Both of these lounges are now available on a strictly limited basis to host in-lounge promotions.

Your promotion can include one or both lounges.

ABOUT BUSINESS ADVANTAGE INTERNATIONAL

Business Advantage International is a publishing and marketing business, founded in Australia in 2004.

Over the past 15 years, we have worked on a wide range of media and communications projects for corporate and government clients throughout the Pacific Islands and the wider Asia-Pacific region.

We also have our own print and online assets, and run our own business events. Today, our major focus is Papua New Guinea, where we have produced PNG's most respected business print publication, *Business Advantage Papua New Guinea*, since 2006. In 2013, we launched PNG's first blue-chip online business magazine, businessadvantagepng.com, and co-hosted the annual Papua New Guinea Advantage International Investment Summit between 2011 and 2015. We also hosted the 2017 Papua New Guinea Investment Conference in Sydney.

We undertake custom publishing, marketing and corporate communications projects for some of PNG's leading firms. This includes publishing Air Niugini's in-flight magazine, *Paradise*.

Our specialist digital marketing division provides online marketing services to some of the region's major companies.
